EVENTS AT PANORAMA

From small board meetings to large conferences and outdoor incentives, CHI Hotels & Resorts' *'Events at'* is a concept you can bank on for stress-free and successful events, which are excellent value for money. Starting with meetings for 10 people, the hotel offers a choice of three customised meeting and conference packages, which include the hiring of a function room for your event, technical equipment and catering services, either on a half-day or full-day basis. *'Events at'* is your expert partner, not only for accommodation, meetings and conferences. Outdoor incentives and events can also be arranged which are innovative, outlandish and fun.

War Games!

Enjoy a unique team-building activity by commanding and leading your own military tank. Play combat games with other tanks in former Soviet-style military zones near Prague. War games are intense and exciting. They are followed by peaceful outdoor dinners with roasted pig and the famous Czech plum brandy "Slivovice".

Mission Impossible in Prague!

Your mission is to take on the role of an American secret agent working undercover in the bustling streets of Prague. With the help of specialist spy gadgetry you must stay one step ahead of your pursuers and move one step closer to discovering the shocking truth. Expect the impossible . . .

The Finest Beer in the World, CzechMade!

Buy your colleagues and friends an original Czech beer at the "Pilsner Urquell Brewery" in Plzen, located in western Bohemia, which is around 45 minutes from Prague. Not only will you enjoy original draught beer fresh from the barrel, but you will also learn all about the traditional brewing process, which has been in existence since 1869.

Become a Czech ice-hockey star!

When it comes to ice hockey, Czechs are known around the world for being masters of the rink. Challenge your team by playing a game of ice-hockey and receive some coaching from a professional Czech ice-hockey star. Equipment, team strips and even cheer-leaders are part of the deal.
